(incl. seat)

The Ronda Stack Chair is the ideal hospitality chair because, with interchangeable seat pads, you can fully customise the interior according to your preferences. Weighing only 4,6kg it is lightweight, yet this wooden chair maintains a high quality. The Ronda is available with a natural rattan or velvet seat. The velvet seats are water-repellent and flame-retardant.

Introducing the essential accessory for our Ronda stack chair: our premium seat cushion, available in rattan and Velvet fabric. The Velvet fabric is treated with Teflon, this cushion combines refined comfort with practical functionality. The Teflon treatment provides water and dirt repellent properties, making the cushion resistant to everyday challenges and easy to maintain.
