Mundi Dinner XXL with a diameter 180 cm interchangeable tabletop. Position the tabletop on top of the frame, ensuring that the screw is correctly aligned with the connector. Turn clockwise to fasten the tabletop securely.

Important: Do not apply excessive force, as this may damage the thread. Once tightened, do not overtighten.

FEATURES

• **Interchangeable tabletop (Ø180cm)**
  Round tabletop with a diameter of 180 cm, easily interchangeable to match different styles, themes, or event concepts.

• **Universal connector system**
  Smart and reliable connector system allowing multiple tabletops to be securely mounted on the same frame.

• **Quick and easy assembly**
  The tabletop is placed on top of the frame and fastened using an intuitive screw connection — no tools required and no complicated setup.

• **Stable and robust frame**
  Designed for intensive use in event, hospitality, and conference environments, with a strong focus on stability and durability.

• **Stackable frame**
  Multiple frames can be stacked efficiently, ensuring space-saving storage and simplified logistics.

• **Efficient transport & storage**
  The separate tabletop and stackable frame allow for optimized transport and minimal storage space.

• **Design meets functionality**
 Combines a clean, professional appearance with maximum practical usability.
